ACCIDENTS SPOTS ON DELHI-JAIPUR AND DELHI-AGRA HIGHWAYS

ADHIR RANJAN CHOWDHURY;RAGHUNATH JHA;RAMJI MANJHI

Will the Minister of ROAD TRANSPORT AND HIGHWAYS be pleased to state:

- (a) whether Delhi-Jaipur and Delhi-Agra Highways are most accident prone of the five highways leading out of Delhi as reported in the Hindustan Times dated June 2, 2003 ;
- (b) if so, whether the NHAI has since identified exact accident prone spots on the two highways;
- (c) if so, the details thereof and the remedial measures taken in this regard ; and
- (d) the steps taken by the Government to block the direct entry on the highways from the villages located on the highway side ?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF ROAD TRANSPORT AND HIGHWAYS (SHRI SHRIPAD YESSO NAIK)

- (a) Road accident data on National Highway-wise basis is not maintained by this Ministry .
- (b), (c) & (d) To minimize accidents, all the unauthorized gaps in the medians on Delhi- Jaipur and Delhi-Agra National Highways have been recently closed by NHAI and encroachments have been removed on both these Highways.Improvement of junctions and construction of under-passes and service roads are some of the measures for reducing accidents at such places.
